Grant criteria:

Grant request should be for a fire tower or lookout where funds would provide for stabilization, initial repairs, materials that would contribute to the restoration work, or for ongoing maintenance if otherwise uncared for. FFLA Grant funds may be used to leverage additional funding for larger projects. Advertising or other indirect support costs would not meet the intent of these criteria.

Grant request will be reviewed and forwarded to FFLA Executive Committee for approval. Appropriate FFLA Director will be involved in review, as well as in project tracking and reporting.
